

Summer 2019 Packing List

Over the years, much care has gone into compiling and editing this list. Yes, campers really do need ALL this stuff! Laundry normally goes Thursdays, hence 10 sets of clothing. All clothing except banquet outfit should be able to withstand a commercial washer and dryer. More Packing Information!!

Campers flying to camp may borrow bedding and a pillow. Call or e-mail ahead!

Personal Items and Contraband

As one of our goals at camp is to live simply and transcend some of the everyday distractions and intrusions of contemporary life, we ask that some items that may be part of campers' lives at home or school not be brought to camp. This means **no electronics**: cell phones, ipods, kindles, watches, etc. No weapons (including pocket knives), fireworks, distracting games, fads or crazes, magazines or books that we feel are not healthy for children (e.g., glamour or gun magazines; magic or pokemon cards; violent, cynical, or sexual comics or magazines; supermarket tabloids; some gaming magazines; provocative posters, magazines, or calendars, etc.). Our wonderful brass bell governs time at Glen Brook; campers may not have watches, clocks, or alarms.

Do not pack food or candy! We do not allow campers to bring food, nor do we allow you to send it. If they receive packages of food in the mail, it will be discarded. Please inform well-meaning relatives and friends to send things **other** than food. Care package ideas include: books, puzzles, decks of cards, games, yo-yos, tee shirts, small craft kits such as Klutz, magic tricks, sticker books, stationary and stamps, disposable cameras, and art supplies. As a rule of thumb, one package a session is more than plenty, and there is no need to send packages.

Note: We do not have a camp store. We *will* provide campers with any necessity they lose at no charge, such as a toothbrush or sunscreen. We want them to have what they need and to be comfortable! But we will not have "extras" on sale so be sure to pack very

carefully. You are welcome to send more stamps, disposable cameras or other extras in packages.

Inspection Policy

While we are very conscious of and respect personal privacy, for health and safety reasons, we reserve the right for the director, or persons they designate, to inspect all camper's belongings including all packages sent to camp. Campers must unpack all of their belongings at arrival and open any packages in the presence of their counselor or designated staff.

Clothing Standards

Any graphics or messages on clothing must be tasteful and responsible. Alcohol or tobacco ads, double entendre, offensive, macabre or violent pictures and messages are unacceptable here.

We ask that clothing and appearance in general is moderate in style and cut realizing that this is summer camp, not school. While we very much support openness, an acceptance & celebration of a healthy body image, and a freedom of self-expression, we have found that certain deliberately provocative styles have been creeping into camp clothing especially of some of the older girls. We are not getting out our rulers, but we ask that shorts not be too short, hip-huggers not too low, necklines not too extreme, and buttocks not visible. Swimwear is by its very nature revealing, but we do again ask that extremes be avoided. We ask the parents and camper to self-select clothing that will be camp friendly. It is easier if other items don't get packed in the first place. It is not pleasant for anybody for us to tell a camper their swimsuit cannot be worn here. If you have questions, please contact us.

ALL articles, including the often-forgotten clothing worn on the ride to camp, must be plainly and securely marked with the camper's name in wash-proof form. Remember to mark sneakers, underwear, sleeping bags, towels, jackets, flashlights, packs, disposable cameras, water bottles, each and every sock, etc. No matter how much we stress the importance of labeling, there are still many items that get lost or left every year because they didn't get labeled. So, get out that Sharpie pen!

Valuables that must be brought to camp, such as passports, plane tickets, travel money, etc. are to be checked with the director for safekeeping until departure. Campers may not have cash or valuables in their bunks. In light of our active outdoors program, expensive or precious clothing, jewelry, or other valuable items should stay safely at home.

We will try our best to help keep track of the estimated 10,000 personal items in camp at any time, but we cannot be responsible for losses or damages.

HAPPY PACKING!!
